

Instructions for booking

You can book via The Perse Summer School web site <https://perse Summerschool.co.uk/>

We would like to encourage you to revisit our courses as displayed on the website and in the useful PDF which we attach to this email (also on the website). One change in recent days is that, sadly, we are no longer able to offer the Mediterranean Cooking course in Week 1 so you will see this is no longer on display. There are plenty of other options for you though!

Check the courses:

If you would like to see more details of the content of the courses, scroll through the courses by week, 1-4, using the drop down menu to the right of your screen. Information about each course can be seen by clicking on the course 'tile' such as Watersports below. The capacity numbers are not updated automatically;

At the end of each course details page there is a 'Book Now' or 'Go back' to the main page button

Book Now: Please do not use Microsoft Internet Explorer for booking as it is an unsupported browser.

The quicker option to book is to 'click here to book' from the homepage:

**We look forward to seeing you at The Perse
Summer School 2022**

When you make your booking you will first see the page asking you to identify the age range.

Then you will progress to the main booking page. Please select all the course(s) you wish for **ONE CHILD AT A TIME**. This is very important to ensure you have the easiest experience.
